• About the Miracle League of Manasota •

The Miracle League of Manasota is a new 501(c)(3) organization dedicated to providing an opportunity for every person to play baseball, regardless of their ability. For the 14,000 school-aged children with disabilities and their adult counterparts in Sarasota and Manatee counties, the Miracle League of Manasota will build a synthetically surfaced baseball field and all the requisite amenities in Longwood Park, just off University Parkway in Sarasota. Sarasota County has committed \$500,000 to the capital improvement of Longwood Park. For the first time, people young and old challenged by any form of disability will be empowered to enjoy the joys and thrills of baseball regardless of their ability to play. The opening game of The Miracle League of Manasota is planned for Fall 2011.
