LEAGUE**

The Miracle League of Manasota is dedicated to providing an opportunity for all children and adults to play baseball, regardless of their ability. We have built a synthetically surfaced baseball field as well as all requisite amenities at the site to serve children and adults from both Sarasota and Manatee Counties. By making a select contribution to the Miracle League of Manasota you can place your mark on the field by personalizing a Legacy Paver which will be laid in the Stadium.

Please consider making a donation to The Miracle League of Manasota. Your donation helps us make it possible for special needs children and adults facing incredible daily challenges to do what they never dreamt possible, play the game of baseball! The Miracle League is a 501(c)(3) organization. Your donation is tax deductible. Games are played in two 10 week seasons beginning in mid-March and again in mid-September. For more information on getting involved with the league, please contact Executive Director, Chris Cushman at:

About Us

The Miracle League of Manasota is a 501(c)(3) organization dedicated to providing an opportunity for every person to play baseball, regardless of their abilities. For the 14,000 school-aged children in Sarasota and Manatee counties with disabilities and their adult counterparts, The Miracle League of Manasota has built a synthetically-surfaced baseball field in Longwood Park, just off University Parkway in Sarasota. For the first time, local people young and old with special needs are empowered to enjoy the team sport of baseball despite their disability. The Miracle League of Manasota field opened for play in the spring, 2012.

For more information, please contact The Miracle League of Manasota, (941) 225-2966 or info@miracleleaguemanasota.org. Space is limited. Outfield advertising will be filled on a first come first serve basis.
